history of events in the north pacific during nineteenth century based on russian archival material

from 1741 until alaska was sold to the united states in 1867 the russian empire claimed territory and peoples in north america in this book ilya vinkovetsky examines how russia governed its only

overseas colony illustrating how the colony fit into and diverged from the structures developed in the otherwise contiguous russian empire russian america was effectively transformed from a remote extension of russia s siberian frontier penetrated mainly by siberianized russians into an ostensibly modern overseas colony operated by europeanized russians under the rule of the russian american company the colony was governed on different terms than the rest of the empire a hybrid of elements carried over from siberia and imported from rival colonial systems its economic labor and social organization reflected russian hopes for alaska as well as the numerous limitations such as its vast territory and pressures from its multiethnic residents it imposed this approach was particularly evident in russian strategies to convert the indigenous peoples of russian america into loyal subjects of the russian empire vinkovetsky looks closely at russian efforts to acculturate the native peoples including attempts to predispose them to be more open to the russian political and cultural influence through trade and russian orthodox christianity bringing together the history of russia the history of colonialism and the history of contact between native peoples and europeans on the american frontier this work highlights how the overseas colony revealed the russian empire s adaptability to models of colonialism

integrates its stories of real life couples into chapters about the nitty gritty of commitment finding a spouse sex and sex roles money in laws jobs homemaking notions of beauty and expectations about intimacy

translations from the original archival documents

translation of russian book first published in 1861 63 concerning russian colonization in alaska comprehensive history of the russian american company

from 1741 until alaska was sold to the united states in 1867 the russian empire claimed territory and peoples in north america in this book ilya vinkovetsky examines how russia governed its only overseas colony illustrating how the colony fit into and diverged from the structures developed in the otherwise contiguous russian empire russian america was effectively transformed from a remote extension of russia s siberian frontier penetrated mainly by siberianized russians into an ostensibly modern overseas colony operated by europeanized russians under the rule of the russian american company the colony was governed on different terms than the rest of the empire a hybrid of elements carried over from siberia and imported from rival colonial systems its economic labor and social organization reflected russian hopes for alaska as well as the numerous limitations such as its vast territory and pressures from its multiethnic residents it imposed this approach was particularly evident in russian strategies to convert the indigenous peoples of russian america into loyal subjects of the russian empire vinkovetsky looks closely at russian efforts to acculturate the native peoples including attempts to predispose them to be more

open to the russian political and cultural influence through trade and russian orthodox christianity bringing together the history of russia the history of colonialism and the history of contact between native peoples and europeans on the american frontier this work highlights how the overseas colony revealed the russian empire s adaptability to models of colonialism

russian american dialogue on cultural relations 1776 1914 the third volume in the russian american dialogues series provides english translations of the best russian scholarship on cultural relations each essay originally appeared as an article in the former soviet union five issues are discussed the contributions that each country made to the cultural life of the other the correspondence and interactions between scientists writers and others from the two nations the development of public perceptions and how these changed over time the american focus in russian periodicals during the nineteenth century and the significant roles of russians and the russian presence in american history the russian articles on each of these subjects are followed by comments from american historians the articles by the russian scholars make extensive use of and liberally cite material from russian archives and publications as a result they provide american readers with new scientific exchanges personalities and points of view the result is a plethora of new material for western historians of russia as well as of the united states the book provides an opportunity for scholars to examine more thoroughly the relevant issues of russian american cultural relations an important scholarly contribution russian american dialogue on cultural relations 1776 1914 brings a new dimension to the relationship between the united states and russia before 1914 it will be of interest not only to historians of this period but to all historians and students of international cultural relations
